Golden Anniversary Weekend Celebrate with us our 50 Year Anniversary

Friday 5th & Saturday 6th March 2010

Amidst the gloom of recession we are feeling in a rather celebratory mood! In March we achieve our fiftieth anniversary, having opened as a ten bedroom hotel in 1960 and grown into one of Bournemouth's leading 3 Star large hotels. The hotel has been owned by the Callaghan family for all of those fifty years and, over that time, many hundreds of holidaying families have returned again and again with their own new generations. We have been asked to arrange a celebratory weekend break for those who wish to join us "down memory lane"
