

Terms and Conditions of Booking from 19th July 2021

While the UK is suffering from the Coronavirus Covid-19, our Terms and Conditions are amended and are as shown below.

Our Confirmation Letter describes our current terms and overrides these Terms and Conditions where they conflict. Likewise, our Covid-19 Protocol to keep the hotel as safe a place as possible during the Covid-19 crisis is attached. It is being continuously reviewed in the light of Government guidance and best practice and, insofar as it too may conflict with these Terms and Conditions, the Covid-19 Protocol will apply.

Additional changes to procedures, facilities or terms and conditions described below or elsewhere which are made necessary by the Covid-19 problem will be notified to you in advance of or on your arrival.

CONFIRMATION OF BOOKINGS

A booking will only be regarded as confirmed when either it has been guaranteed with a credit or debit card number upon payment of the appropriate non-refundable booking fee, or (cash funds received. Telephone credit and debit card bookings (MasterCard, Visa and Maestro) are accepted. We only accept cheques in special circumstances and to confirm bookings they should be received by us at least six banking days prior to your arrival. By using our booking system, you are giving us permission to take the credit or debit card details to accept your reservation as a confirmed booking without any further action required on your part. Non-refundable deposits will only be taken for Apartments, special breaks or advance purchase rates. We do not accept stag or hen parties.

CANCELLATION

We strongly recommend that you take out Travel Insurance to cover your obligations under a booking contract. Should circumstances prevent you from taking your holiday as planned or make it necessary for you to curtail it, you should notify us by telephone immediately and also in writing by email or fax. If you have booked on a flexible rate basis, non-arrival or cancellation less than 24 hours prior to the arrival date will result in the full confirmed value of the stay being charged. If you have booked an "advance purchase" rate, any cancellations or amendments that are not a direct result of COVID-19 illness will result in our retaining the full advance payment of your stay as that is the condition of the booking rate you have chosen. If you need to cancel or amend your booking ahead of your arrival date due to COVID-19 illness or self-isolation requirements (with written evidence), we can offer one postponement of your booking to another suitable date, though rates may differ between dates. Cancellation charges if due, may be taken from your credit or debit card. If we are forced to close the hotel due to COVID-19, or cannot honour a booking or bookings due to reasons beyond our control, bookings will be transferred to a later date or cancelled at no charge and if the hotel cannot honour bookings, pre-payments will be reimbursed.
